

Australasian Applied Statistics Conference 2024
Rottnest Island, WA, Australia
Monday 2nd September - Thursday 5th September

A student is defined as an individual enrolled for study at a recognised tertiary or secondary educational institution. Students studying full-time qualify for discounted conference and workshop rates. However, at the discretion of the Local Organising Committee, part-time students may also be granted the discount.

To receive discounted conference and workshop rates, students will need to have a member of academic staff at the institution where they are enrolled complete the student declaration form below. Completed forms should be emailed to the official AAS2024 email of; (aasc2024conf@gmail.com).
